

JOB TRANSITION CANVAS

Congratulations! It's a new beginning!

Where are you moving from?
How would you describe the environment that you are leaving?

Where are you moving to?
How would you describe the environment that you are heading for?

How do you feel?
Just very generally – how do you feel about your move?

What you are leaving

You

Where you are going

Your journey
How did you personally develop in the course of this last job?

What you learned
What were the main things that you took away from this last job?

Why the move?
What is your primary motivation for this switch?

Your golden rules
What are personal principles that you are aiming to follow in this job? Which rules will you not compromise on?

More of
What are you planning to do more of?

People to hold on to
Who are you planning to stay in touch with? About what and how?

Your purpose
In general, what is it that you are trying to achieve through your work?

Less of
What do you want to reduce, delegate or get away from?
